

Are You Grieving?

A checklist of the physical, mental, and behavioral symptoms of grief.

Are you grieving? Put a check in the box next to any of the physical, behavioral, or emotional that you have been having below. If you check more than a few boxes, you are most likely experiencing grief. Remember that grief is normal and that there are ways to "work through grief," as well as grief support systems that you can turn to.

Physica	I Sensations		
	A dry mouth		
	A tight throat or a lump in your throat
